Dear Friends:

I am writing first of all to enclose this check for distributing placards for the opening game. We would have had a wonderful crowd, I am sure. It was really tough to get rained out.

I have been trying to get you on the phone for some time. Last night some one at the club said you were not well. I hope it is nothing serious. We are coming to Trenton to play a game Friday May 26th. And I have ordered to man to send placards to you. The Eagles ~~will~~ be playing The Cubans, time 8.15 PM at Dunn Field, gen. adm. 90 cts. This includes tax.

I do hope you will be able to work with us. If you cant will you please get some one to put the cards out. There is not any too much time. Will you be able to see the sports writer of any of the local papers? Every body seems to think the people want the baseball this year. Now that the gasoline ban is off Trenton should do pretty good.

Please let me hear from you right away. You should receive the cards in the next day or so. Again thanks for your cooperation.

Very Truly Yours
